

## Welcome to Park Green Surgery

- **Completing your Registration documents:**

Once you have completed the list of attached documents, please return to the Park Green Surgery post-box on the ground floor of Water's Green Medical Centre, and for each new patient over the age of 16 years of age enclosing a copy of photographic ID, i.e. passport or driving licence and something with your address on.

- NHS Registration Form
- New Patient Questionnaire
- Access to Online Services Form, or Proxy Access Form for children under 16 years, or on behalf of those lacking capacity themselves

- **First Registration in the UK:**

If this is your first registration in the UK, in addition to the above, you will also need to provide the date you entered the UK and your UK Visa and Immigration status

- **Ongoing Medication:**

If you are currently taking any medication please make sure that you have AT LEAST one month's supply from your previous GP Surgery.

Once you have registered, you will need to make a telephone appointment with a doctor at Park Green Surgery BEFORE any medication can be issued, for which there is approximately a two to three week wait.

Should you require further information regarding Park Green Surgery, not contained within the enclosed leaflet, please contact the surgery direct.

Thank you for choosing Park Green Surgery.
